HOBBIES

Playing sports (football, volleyball, basketball, table tennis...), music (playing bass guitar at beginner level, listening and exploring many genres, vinyls) and comics.

PROFILE

As a QA automation engineer at the start of my career, I am eager to bring my skills and passion for software quality to a dynamic and innovative team. I have experience with C#, Selenium, BDD (with Specflow and Gherkin), Visual Studio, HTML, CSS, SQL, Git, Jira, and Testlodge. Also, I am a detail-oriented problem solver with an analytical approach, always eager to learn and expand my knowledge.

EMPLOYMENT HISTORY

Salesman and office service support, Telekom Srbija   Belgrade
Nov 2006 — Mar 2018

I have worked in retail stores of this company where my job was sales of products and services, technical support and customer care in general.

Business Development Manager, Connect Team D.O.O.   Belgrade
Apr 2018 — Jun 2019

My job was phone and door-to-door sales of telecommunication services (mobile cards, internet and TV) to small and middle companies. After successful selling, I was their only contact and one who takes complete customer care of them.

Administrator, Teledirekt   Belgrade
Jun 2019 — Present

This job implies processing and entering data into the database (Excel tables and several apps) and archiving contracts that are signed by customers on the field.

EDUCATION

High School Diploma, Traffic and Transportation Technician, Tehnička škola GSP   Belgrade
Sep 2002 — Jun 2006

QA Engineer Course   Belgrade
Nov 2022 — Jan 2023
